

EXCITING OPPORTUNITY - CAREER PROGRESSION TO LIGHTING CONTROLS TECHNICIAN

Are you ready to illuminate your career path and step into the dynamic world of lighting controls? We are on the lookout for ambitious individuals like you who are eager to advance in the rapidly growing lighting controls sector.

Why Choose Powercor?

Innovative Solutions: We are at the forefront of cutting-edge technology in the lighting controls industry. Join us to be a part of a team that constantly pushes boundaries and introduces innovative solutions that shape the future of lighting.

Career Advancement: At Powercor, we believe in investing in our people. As you embark on your journey with us, you'll have access to continuous learning opportunities, training programs, and mentorship to accelerate your career progression.

Impactful Projects: Join a division that contributes to meaningful projects. We are involved in projects that make a difference, from energy-efficient lighting systems to smart city initiatives. Your work will have a positive impact on the environment and communities.

Collaborative Culture: At Powercor, collaboration is key. Work alongside a diverse and talented team that values open communication, creativity, and teamwork. We believe in fostering an inclusive environment where everyone's ideas are heard and valued.

Who We're Looking For:

Ambitious Individuals: If you have a passion for technology and a drive to excel in your career, we want to hear from you. We're seeking individuals who are eager to learn, adapt, and grow within the dynamic lighting controls sector.

Innovators: Are you someone who thrives on finding creative solutions to challenges? We are looking for innovators who can bring fresh perspectives to our team and contribute to the evolution of lighting controls technology.

Tech Enthusiasts: Whether you're an experienced professional or just starting your career journey, if you have a passion for technology and a keen interest in lighting controls, Powercor is the place for you.

How to Apply:

Ready to light up your career? Please submit your application/contact me in person or at r.grace@powercor.co.uk - Join us on this exciting journey as we redefine the future of lighting controls together.

We encourage applications from all suitably experienced and qualified people, regardless of their background. We will take all reasonable steps to employ, train and promote employees on the basis of their experience, abilities and qualifications in line with all protected characteristics as set out in the Equality Act 2010 and any other associated statute.

Illuminate your career with us at Powercor – where your potential meets endless possibilities!
